GETTING STARTED

1. Set up your 3DO™ Interactive Multiplayer™, following the steps in the owner's manual.
2. Plug your controller into the Control Port.
3. Press the power switch to turn the unit ON.
4. Press the Open/Close Button to open the CD Drawer, place the **Sample This!** disc into the drawer, label side up, and then press the button again to close the drawer.

5. When you see the Main Menu, press the controller's **Directional Pad** up or down to highlight a game title, and press any button to start up that game demo.
6. Hold down the **X (Stop) Button** briefly to cancel any demo and return to the Main Menu.

OFF-WORLD INTERCEPTOR

KILL EVERYTHING!

You're a Trashman, a bounty-hunter with blood-lust on the brain. Smear the planet's surface with fugitives, felons and other trash infesting the galaxy. Race at searing speeds over treacherous terrain, enduring the harsh

climates of alien worlds. Cool, huh?

Pound enemy 4x4s, dodge deadly road mines, skim through flying explosives! Live for the hurtling boulders, hairpin turns and stomach-dropping ramps.

Definitely not for wussies!

PLAY CONTROLS

Directional Pad	— Steer left/right; tilt vehicle's nose up/down
A Button	— Cycle through special weapons
B Button	— Accelerator; release to decelerate
C Button	— Deploy special weapon
Left Shift	— Jump; double-tap to hover
Right Shift	— Fire on-board cannon
X (Stop) Button	— Brake

OFF-WORLD INTERCEPTOR

SCREEN INDICATORS (Left to Right)

Radar:	Shows oncoming vehicles and obstacles.
Armor:	Decreasing color bar shows vehicle's damage level.
Fuel:	Blue bar decreases as you burn fuel. Air Support refuels you on the fly, but you lose time and position.
Speed:	The faster you go, the better.
Special Weapon:	Shows special weapon ready for firing. Cycle through nitro, smart bombs, plasma mines, missiles and emergency Air Support.
Jump Meter:	Your vehicle's hover power. Jump, then double-tap the Left Shift to hover. When the color bar runs out, your vehicle drops to the ground.
Chase Bar:	Keep the white bar (you) ahead of the red bar (your enemy) to reach the waypoint first.
Cash & Clones:	Your bank balance and continues.

SPECIAL MOVES

- Smash through power-ups to refill fuel, repair damage, increase firepower and pick up bonus cash.

ALL THIS AND MORE IN THE COMPLETE GAME!

- Brutal two-player competition!
- Six intensely different worlds!
- Chop Shop loaded with vehicles, weapons and upgrades!

SAMURAI SHODOWN

GIVE YOUR GUTS FOR GLORY!

No weaklings allowed! This is the toughest martial arts ordeal there is. Twelve lethal combatants mix it up with murderous moves, slashing swordplay and deadly ninja tricks. 3DO has the ONLY home version with all

the fury of the arcade original. Screams! Grunts! Guts! Blood! Can you take it? Can the machine take it?

You are Haohmaru, a blood-thirsty, cheap sake-swilling samurai known for your powerful attacks and blinding speed. Press the **P Button** to begin. In two-player games, both players are Haohmaru and must press the **P Button** simultaneously to begin.

PLAY CONTROLS

TOTAL ECLIPSE

BURN THE DRAK-SAI!

Listen up. When the Drak-sai pulled the trigger on the Sun Dagger, Omega Quadrant's sun went down. Now the space scum are targeting Earth's sun. You don't need a physics degree to figure it out. Get

a visual on the squidheads and lock on. Snap roll with all guns firing. You know the drill. Drak-sai are ug-LEE. Except when they explode.

You pilot the FireWing, the most advanced star fighter in the known universe. Drak-sai Supreme Predator Lord Zodak sent you a message: *"Your ssspeciesss hass been ssselected for the hunt."* Get going and burn some Drak-sai tail!

PLAY CONTROLS

Directional Pad up	— Dive
Directional Pad down	— Climb
Directional Pad right/left	— Bank right/left
A Button	— Accelerate; tap rapidly to reach maximum speed
B Button	— Fire
C Button	— Brake; tap rapidly to halt

TOTAL ECLIPSE

SCREEN INDICATORS (Left to Right)

Current Weapon:	Any weapon you pick up is immediately active. Fly through its icon again to upgrade your firepower.
Score:	Your points so far.
Altimeter:	The green bar shows altitude above base level; the orange bar, altitude above the terrain beneath you.
Radar Map:	The darker the area, the lower the ground. Black is the lowest terrain; white is impassable heights. Green dots are power-ups. Red dots, tunnel doors.
FireWings:	Your reserve fighters.
Firepower:	Weapon strength, shown by three lights.
Plasma Bombs:	These destroy all enemies on screen, but not enemy projectiles fired before you dropped the bomb.
Shields/Damage:	Your shield is a blue aura. The bar turns red when shield strength is dangerously low. One more hit and your fighter's nothing but a hunk of metal.

SPECIAL MOVES

- Pick up power-ups for additional FireWings and shield strength.
- Fly through stunt rings for bonus points.

ALL THIS AND MORE IN THE COMPLETE GAME!

- Four perilous missions, six nasty weapons and tons of hidden power-ups!
- Synthesized 3D virtual actors built from sophisticated computer models!
- Massive sound track and sound FX!

STAR CONTROL II

INTERGALACTIC COMBAT!

Star Control II packs it all in one huge futuristic space chase. Battle alien ships! Encounter weird sentient life! Scan unknown worlds! Bounty hunt for minerals and lifeforms!

In this game sample, you'll challenge the aliens to head-to-head combat in deep space! Two rival teams shred the interstellar void with intense firepower. Sharpen your battle skills against the computer or give a friend a pounding for pan-galactic domination!

PLAY CONTROLS

Setup:

Any button	— Skip intro
Directional Pad	— Highlight options or ships
A Button	— Select a highlighted item
B Button	— Cancel a selection

Combat:

Directional Pad up or A Button	— Apply forward thrust
Directional Pad right/left	— Rotate ship
B Button or Right Shift	— Fire standard weapon
C Button or Left Shift	— Fire special weapon

STAR CONTROL II

SCREEN INDICATORS (Left to Right)

Each combatant has a Ship Status display, showing the shipbuilders and ship's captains, plus the following crucial data:

- Crew:** Each time a ship is damaged, green dots (crew) disappear. When the crew is gone, the ship is destroyed.
- Batteries:** The charge bar shows the current and maximum energy levels. Firing weapons consumes energy. Batteries recharge gradually, and the speed of energy regeneration varies.

SPECIAL MOVES

- Combat always takes place near a planet. The region wraps around; if you exit on one side of the combat zone, you appear on the other side.
- The screen always centers on the midpoint between your ship and the enemy vessel, so the view will shift when one combatant "wraps around."
- If your combat vessel is destroyed, you can choose another to enter the fray. Use the **Directional Pad** to select a specific ship, or choose "?" for a random selection. Press the **A Button** to re-engage.

ALL THIS AND MORE IN THE COMPLETE GAME!

- Command 12 different vessels!
- Encounter and combat scores of aliens — friend and foe!
- Experience a total deep-space adventure with hyperspace warp, planet exploration, far-out riddles, traps and tricks!
- Over 70 hours of game play!

THE HORDE

(HORDLINGUS BASICUS EATEMUPIUM)

Hordlings are loud, red, ridiculous and hungry. They eat villages. YOUR village. They swarm. They drool. They munch your cows and corn crops. They're fat and voracious and they reek like outhouses.

It's your turf, so fight back! Chop with your magical sword Grimthwacker. Puree with troops of archers and knights. Dredge moats and build rows of spike-lined ditches. Twirl the magical, murderous Mystic Morningstar and call in Roscoe, the fire-breathing dragon! But still, The Horde advances!

PLAY CONTROLS

GEX

DOES HE KISS HIS MOTHER WITH THAT MOUTH?

The digitized voice of Dana Gould, headliner of his own HBO™ comedy special, stars as GEX, the 3D gecko, with rapid-fire wise-cracks and one-liners. GEX's mouth gets

him in trouble, but it's his thrashing tail that gets him out!

GEX gets stuck in the Media Dimension, the place where cheesy television shows and movies go to retire. To escape, he must kill a television in each world!

GEX uses a roundhouse tail attack to rid the world of TV rejects. GEX loves his suction cup paws. He grabs on and scrambles over Kung Fu temples and skull-packed graveyards. GEX sprouts dragonfly wings, hucks fireballs and jumps around at near light speed!

ALL THIS AND MORE IN THE COMPLETE GAME!

- The acclaimed voice of Dana Gould!
- 450 frames of GEX character animation for multitudinous motion!
- Photo-realistic hand-rendered backgrounds and objects.

CYBERCLASH

FUTURISTIC CYBER-COMBAT!

Jacking in takes guts. First there's a blood transfer. Then a computer pokes directly into your subconscious. You enter the cyberworld. Massive gladiators — hard-core combat machines — assault you in

staggering battles for dominance. Morph once, twice, three times as you fight to destroy them!

ALL THIS AND MORE IN THE COMPLETE GAME!

- One-player combat and two-player head-to-head clashes!
- Fast-paced action with first person point of view and fluid 3D tracking!
- Multiple cyberspace levels with elevators, bridges and floating platforms!
- Multiple characters with unique personalities! Morph each character into three different forms, each with its own specialty!
- Unique moves and a deadly arsenal of close- and long-range weapons!
- Exceptional power-ups and loads of 'em!
